

## **A lawyer was driving his BMW...**

A lawyer was driving his BMW down the highway, singing to himself, "I love my BMW, I love my BMW."

Focusing on his car, not his driving, he smashed into a tree.

He miraculously survived, but his car was totalled.

"My BMW! My BMW!" he sobbed.

A good Samaritan drove by and cried out, "Sir, sir, you're bleeding! And my god, your left arm is gone!"

The lawyer, horrified, screamed "My Rolex! My Rolex!"
