

## **Blonde Lotto Winner**

A blonde buys a ticket and wins the lottery.

She goes to lottery headquarters to claim it and the man verifies her ticket number.

The blonde says, "I want my \$20 million."

The man replied, "No, sorry lady. It doesn't work that way. We give you a million today and then you'll get the rest spread out for the next 19 years."

The blonde said, "Oh, no. I want all my money right now! I won it and I want it."

Again, the man explains that he would only get a million that day and the rest during the next 19 years.

The blonde, furious with the man, screams out, "Look, I want my money! If you're not going to give me my \$20 million right now, then I want my dollar back!"
