The Donation.....

A man and a woman were waiting at the hospital donation center.

Man: "What are you doing here today?"

Woman: "Oh, I'm here to donate some blood. They are giving me \$5 for it."

Man: "Hmmm, that's interesting. I'm here to donate sperm myself.

They are giving me \$25 for it."

The Woman looks lost and deep in thought for a moment.

They remained and chatted for a while before going their separate ways.

Man: "Hi! Here to donate some blood again?"

Woman: "[Shaking her head with her mouth closed] replied "Unh Unh"
