

Condoms

Imagine if major companies from all around the world started producing or sponsoring condoms. They would become fashionable and companies would probably advertise more openly.

Nike Condoms: Just do it
Toyota Condoms: Oh What a feeling
Ford Condoms: The ride of your life
Microsoft condoms: Where do you want to go today?
Optus Condoms: Yes!
KFC Condoms: Finger lickin' good
M&M's condoms: Melt in your mouth, not in your hands
Duracell condoms: Keep going and going and going
Pringles condoms: Once you pop you can't stop
Sydney Olympic Condoms: Share the spirit
Hyundai condoms: All day, every day
Tip Top condoms: Good onya mum - (available in Tasmania only)
Panasonic condoms: Even more than you expected
VB Condoms: As a matter of fact, I've got one now
Swan Lager condoms: They said you'd never make it...
Vegemite condoms: Puts a rose in every cheek - (target gay market)
Levi condoms: Do you fit the legend?
Nescafe condoms: It brings you together
Quicken condoms: Quicken. Easy

Add some more....

Telstra condoms: Welcome Back
Freedom condoms: think outside the square you live in (?)
Axa Condoms: The future together, Axa.
Hungry Jacks Condoms: the burgers are better at hungry jacks.
Loreal condoms: coz I'm worth it.
Snickers: Satisfies you.
Weetbix condoms: 9 of out 10 nutritionists say....
Nutri-grain condoms: IRON. MAN. FOOD.

The following brands would probably not sell very well...

AFL Condoms: I'd like to see that
Goodyear condoms: If it only saves you once a year...
Samboy condoms: The flavour really hits you
RTA condoms: Speed kills
Nobby's condoms: Nibble Nobby's Nuts
Bolle condoms: Put them on your face
Kahlua Condoms: Drink the rhythm
Aussie Homeloan condoms: We'll save you
