

Little Johnny's School Assignment

Teacher: "Children, tomorrow I would like you to give me an example of a development that is currently being built near your home and what are the advantages of this new development. At the end of the class, the teacher asks that all the little girls remain behind for 5 minutes.

Teacher: "Young ladies, I have received numerous complaints from your parents concerning Little Johnny's' crude remarks. It is very likely that tomorrow he is going to say something dirty and that is why I am asking you all, to avoid any further problems - that if he says anything that appears rude, I would like you all to get up and leave the classroom."

Everybody agreed to this plan.

Next day -

Teacher: "Is everybody ready with their assignment? Go ahead Anna ."

Anna: "Near my home, a supermarket is being built. Now my mommy doesn't have to walk so far to get bread and milk."

Teacher: "Very good Anna! Yes - Suzie!"

Suzie: "Near my home, they are building a furniture factory. My daddy is a carpenter and this permits him to work near home."

Teacher: "Excellent, thank-you Suzie!"

At this point, little Johnny's hand shoots up and the Teacher asks: "Oh heavens, Johnny tell me what new development is being built near your home."

Little Johnny: "Near my home, they are building a brothel."
All the young ladies get up and proceed to leave.

Little Johnny says, "Hey relax sluts it hasn't opened yet!"
