

Men try to do the right thing...	However we crash and burn...
If you kiss her your not a gentleman	If you don't, you are not a man!
If you praise her she thinks you are lying!	If you don't, you are a good for nothing
If you agree to all her likes, she is abusing	If you don't, you are not understanding!
If you make romance, you are an experienced man	If you don't, you are only half a man!
If you visit her too often, she thinks it is boring	If you don't, she accuses you of double crossing!
If you are well dressed, she says you are a playboy	If you don't, you are a dull boy!
If you are jealous, she says its bad	If you don't, she thinks you do not love her!
If you attempt a romance, she says you didn't respect her	If you don't, she thinks you do not like her!
If you are a minute late, she complains she had to wait	If she is late, she says that's the girls way!
If you stare at another woman, you are flirting	If she is stared at by others, they are just admiring her!
If you talk, she wants you to listen	If you listen, she wants you to talk!
If you fail to assist her across the street, you lack ethics	If you do help her, she thinks its just another one of the men's tactics!
