

## **The Boss had to Fire Somebody**

He had narrowed it down to one of two people, Debra or Jack.

It was an impossible decision, they were both super workers. Rather than flip a coin, he decided he would fire the first one who used the water cooler the next morning.

Debra came in the next morning with a horrible hang-over after partying all night. She went to the cooler to take an aspirin.

The Boss approached her and said: "Debra, I've never done this before but I have to lay you or Jack off."

"Could you jack off?" she says. "I feel like sh\*t."
