

The Laws of Ultimate Reality – Part 1

Law of Mechanical Repair

After your hands become coated with grease, your nose will begin to itch and you'll have to pee.

Law of Gravity

Any tool, when dropped, will roll to the least accessible corner.

Law of Probability

The probability of being watched is directly proportional to the stupidity of your act.

Law of Random Numbers

If you dial a wrong number, you never get a busy signal and someone always answers.

Law of the Alibi

If you tell the boss you were late for work because you had a flat tire, the very next morning you will have a flat tire.

Variation Law

If you change lines (or traffic lanes), the one you were in will always move faster than the one you are in now (works every time).

Law of the Bath

When the body is fully immersed in water, the telephone rings.

Law of Close Encounters

The probability of meeting someone you know increases dramatically when you are with someone you don't want to be seen with.

Law of the Result

When you try to prove to someone that a machine won't work, it will.
