

What women say...	What women actually mean...
I just need some space	...without you in it!
Can you help me with my homework?	If I keep at him, the fool will do it for me!
Do I look fat in this dress?	We haven't had a fight for a while!
No, pizza it just fine	Cheap bastard!
I just do not want a boyfriend just now	I just don't want you as a boyfriend now!
I don't know...what do you want to do?	I can't believe you haven't planned anything!
Come here...	My puppy does this too
I like you but...	I don't really like you!
We've moving too quickly	I am not going to sleep with you!
I'll be ready in a minute	I am ready, but I am going to make you wait anyway!
There's no one else	I'm doing your friend!
Size doesn't count	Unless I want a orgasm!
